

STANDARD COVER

- Free for 30 days
- £350 single claim limit applies
- Multiple claims up to purchase price of vehicle

Engine: Rocker Assembly, cylinder block (excluding cracks, porosity and overheating damage), Inlet and exhaust valves, valve guides and springs (excluding burnt valves and decokes), head gaskets, head bolts, push rods, camshafts, cam followers, timing gears, timing chain and tensioners, piston and rings, cylinder bores, crankshaft and bearings, gudgeon pins, con rods and bearing, inlet and exhaust manifolds, distributor drive, oil pump, oil cooler, hydraulic lifters. Please note that failure of timing belt is not covered.

Manual Gearbox: Gears, shafts, selectors, synchromesh assembly, bearings, bushes, ball and roll bearings, needle bearings, solenoid and transfer box.

Automatic Gearbox: Gears, shafts, selectors, bearings, bushes, speedometer drive, valve block, oil pump, brake bands, clutches, seals, servos, modulator valve, torque converter and transfer box.

Clutch: Clutch plate, pressure plate, release thrust bearings, master and slave cylinders and clutch cable.

Brakes: Brake master cylinder

Drive system: Internal shafts, bearings, planetary gear assembly, crown wheel and pinion, drive shafts, half shafts, constant velocity joints (excludes gaiters and bushes).

Engine Cooling System: Water pump

Electrical System: Starter motor

GENERAL EXCLUSIONS:

1. Vehicle Diagnosis and Recovery.
2. Any part or component not expressly listed within your plan cover.
3. Any claim arising as a result of gradual deterioration through wear and tear.
4. Any component which have not failed but have been reported as requesting replacement during routine servicing and/or repairs or at the time repairs are in progress.
5. Any claim arising from foreign material introduced into the fuel/cooling system
6. Failure wholly or partly due to negligence, abuse or accidental damage.
7. Any consequential or subsequential loss or damage arising from the failure of a component.
8. The failure of any part arising as a result of repairs carried out by a person not authorized by Highlanders GB.
9. The failure of any part disclosed as defective to the customer prior to the sale.
10. Mechanical breakdown outside the United Kingdom.
11. Non-compliance with the conditions relating to the servicing of the vehicle.
12. Mis-diagnosis of the fault(s) by the garage carrying out the authorized repairs.
13. Air conditioning recharging, anti-freeze, filters, transmission fluids, seized calipers, internal and external oil seals, cracked blocks and heads, overheating, linkages, cables, lock barrels, drop links, window regulator cables, water ingress, exhaust systems, auxiliary drive belts, brackets, mountings, tapings, supports, fixings and fastening devices, fuel tank, corrosion, rubber hoses, pipes and unions, air bags and systems (including switches, modules and control unit), DPF de-carbonization, failures caused by build-up of carbon deposits (including burnt valves), serviceable and auxiliary parts such as pugs, points, condenser, distributor cap, rotor arm, incorrectly fitted or repaired parts, any damage due to ingress of foreign body or fluid and any part not listed within your plan cover.
14. All bodywork, handles and hinges, interior and exterior trims, paint, glass, carpets, seat belts, wiper arm, blades, wheels and tires, wheel alignment/balancing/adjustments and weather-strips.
15. Service parts and other parts subject to routine maintenance or periodic repair including but not limited to plugs, points, condensers, distributors cap, rotor arm, HT leads and filters.

PREMIER COVER

- £750 single claim limit applies
- Multiple claims up to purchase price of vehicle

Engine: Rocker Assembly, cylinder block (excluding cracks, porosity and overheating damage), Inlet and exhaust valves, valve guides and springs (excluding burnt valves and decokes), head gaskets, head bolts, push rods, camshafts, cam followers, timing gears, timing chain and tensioners, piston and rings, cylinder bores, crankshaft and bearings, gudgeon pins, con rods and bearing, inlet and exhaust manifolds, distributor drive, oil pump, oil cooler, hydraulic lifters. Failure of timing belt is covered if there is proof of manufacturer's replacement recommendations have been complied with and they are free from oil contamination.

Manual Gearbox: Gears, shafts, selectors, synchromesh assembly, bearings, bushes, ball and roll bearings, needle bearings, solenoid, transfer box, transfer gears, transfer shafts, output and shafts.

Continuously Variable Transmission (CVT/CTX): Internal clutches planetary gears, reduction gears, shafts, variable pulleys, thrust link drives, bushes and bearings.

Automatic Gearbox: Gears, shafts, selectors, bearings, bushes, speedometer drive, valve block, oil pump, brake bands, clutches, seals, servos, modulator valve, torque converter, transfer box, transfer gears, transfer shafts, output and shafts.

Clutch: Clutch plate, pressure plate, release thrust bearings, master and slave cylinders, clutch cable, clutch folk.

Brakes: Brake master cylinder, wheel cylinders, calipers, brake bias/restrictor valve, vacuum servo and brake vacuum pump. Excludes seized components.

Drive system: Internal shafts, bearings, planetary gear assembly, crown wheel and pinion, drive shafts, half shafts, constant velocity joints (excludes gaiters and bushes), ball shafts, oil seals, prop shaft, universal joints and couplings. Includes front and rear transfer shafts 4x4 vehicles (excludes gaiters).

Wheel Bearings: Front and rear wheel bearings.

Anti-lock Braking Systems (ABS): ABS computer, sensors and pumps, excluding wiring and connection faults.

Steering (Including power assisted steering): Steering rack and pinion (excludes gaiters), steering box, idler box, steering pump and power steering reservoir.

Front and Rear Suspensions: Shock absorbers, coil springs, upper and lower wishbones, ball joints, swivel joints, anti-roll bars, suspension arm, mountings hydro-pneumatic system and torsion bars.

Turbocharger/Supercharger/Kompressor: The complete unit is covered provided it is original manufacturers equipment (includes the wastegate if is an integral part of the unit and cannot be bought separately).

Fuel System – Petrol/Diesel: Fuel pump, carburetors, injector system, choke assembly, tank sender unit, lift pumps, throttle body, airflow meter, idle control valve, fuel accumulator, pressure regulator, map sensors, injectors (excludes heater plugs).

Air Conditioning / Climate Control: Factory fitted systems are covered (excludes pipes, unions, wiring, receiver driers and cost of regassing).

Catalytic Converter: Factory fitted catalytic converters are covered (excludes damage caused by impact, corrosion or incorrect grade or type of fuel).

Engine Cooling System: Water pump, engine thermostat, thermostat housing, engine temperature gauge sensors, engine oil cooler, radiator, expansion tank and heater matrix.

Electrical System: Starter motor, alternator, starter solenoid, regulator, indicator relay, front and rear windscreen wiper motor, front and rear windscreen washer motor, ignition coils, electric window motors and switches, horn, glow plug relay, electric sunroof motor and switch, central locking systems (excluding remote control unit and wiring), indicator and wiper switches, heater fan motor, temperature sensor switch, oil pressure sensors, speedo head and speedo transducer, door motors and switches, electric aerial motor (front and rear heated screens and elements are excluded from cover).
